HINKLEY, INC. | 2021

DESIGNED FOR
A LIFE AGLOW
WELCOME TO HINKLEY.

this is
HINKLEY

LIGHTING + CEILING FANS MADE FOR *life*

style

Creativity is what drives us. Our team of designers is always trend-spotting and travels the globe to seek out inspiring styles.

quality

Quality is paramount, from construction all the way to customer service. We combine thoughtful design, technical innovation and a stylish state of mind into every Hinkley product.

heritage

It means a lot to us that people welcome Hinkley into their homes. It's the heart and soul of our company and it's been that way since 1922.

*curated
collections*

We started as a small outdoor lantern company and have expanded to bring you the best in Interior, Bath, Outdoor and Landscape Lighting as well as Ceiling Fans.

41° 29' 30.156" N

82° 1' 8.292" W

Hinkley is located off the shores of Lake Erie in Cleveland, Ohio, and we wouldn't have it any other way.

A NOTE FROM JESS & ERIC

Our roots in design run deep. We grew up in a family business that treasures craftsmanship and quality. Our dad always taught us to cherish creativity and made sure we understood the significance of our products: each piece reflects your personal style and is meant to enhance the comfort and enjoyment of your home.

Thoughtful construction inspired by the best and latest trends, impeccable attention to detail and superior quality are the backbone of every single Hinkley design. Our great-grandfather started this company with those values, and it's still what our family stands for almost 100 years later.

We're excited to share our latest designs with you throughout these pages, and invite you to check out [Hinkley.com](https://www.hinkley.com) to see all we have to offer.

Cheers to being happy at home,

A handwritten signature in black ink that reads "Jess & Eric". The signature is stylized and cursive.

Jess & Eric

ICON, FINISH & LAMP REFERENCES

Throughout this catalog we have utilized a variety of important icons and finish codes to assist you with your lighting selections. Below is a key describing each of these icons in detail as well as a list of our extensive product finishes with abbreviated codes for easy reference.

ICON DESCRIPTIONS

12V
Low voltage lighting

ADA COMPLIANT
Indicates fixtures that adhere to the standards and guidelines listed by the Americans with Disabilities Act.

DARK SKY
Indicates fixtures that are engineered to minimize light glare upward into the night sky.

INTEGRATED LED
Fixtures supplied with fully integrated LEDs and drivers or specifically matched LED lamps based on performance and application.

SELECT-A-LITE
Indicates fixtures that come with sockets that can accept either candelabra or medium-based bulbs.

TITLE 24
Meets California Energy Commission Title regulations.

GAME CHANGER

Hinkley outdoor designs are equally at home in just about any space. As design silhouettes trend toward bigger and bolder lighting styles overall, consider exterior lighting as an opportunity to brighten and enhance indoor areas too. Just like that...a whole new world of design solutions is thrown wide open! While the reverse isn't usually an option due to strict electrical guidelines (always check with a licensed electrician when thinking outside the box), outdoor lighting is uniquely engineered to handle adverse conditions, making these designs perfect for a wide variety of spaces. From kitchens and bathrooms to mudrooms, these popular areas can benefit from the look and durability offered from outdoor lighting. And with exterior style options at an all-time high, running the gamut from coastal to rustic, classic to modern, there is no limit to creativity.

**Porter Photo Credit: Designer: Sapphire Pear. Photographer: Caitlin Antje. Builder: Naramore Construction.*

TREND WATCH

SILHOUETTE SAVVY

An emerging profile is taking the lead as transitional outdoor fixtures evolve, with a focus on softly rounded lines and an almost casual, romantic elegance. A fresh new classic with a hint of Mediterranean chic, this style is the perfect accent to the now timeless modern farmhouse architecture trend.

DESIGN OBSESSION: Amina Lantern

BIG TALKER

Bold and impactful lighting that makes a serious style statement is on the rise, and the bigger the better! Over-scaled fixtures in luxe finishes are taking center stage and can elevate an entire space. This dramatic design element adds visual interest while providing essential illumination to outdoor areas.

STATEMENT MAKER: Alder Pendant

REX 1534 TK, HINKLEY.COM

OUTDOOR LIVING 101™

[FOLD OUT FOR A FULL VIEW >](#)

1 SPOT LIGHTS

Spot lights are the go-to fixture to highlight elements of your landscape that add the most visual appeal, such as foliage, trees and architectural elements. Hinkley offers a wide range of spot lights to fit any need.

2 PIER + POST MOUNT LANTERNS

Available in both 12v and 120v, pier mounts are incredibly versatile and designed to deliver the benefits of wall mount lanterns. When added to the entrance of driveways, decks or pathways, their presence transforms routine, high-traffic areas to a sophisticated, welcoming and well-lit environment. Many of Hinkley's pier mounts coordinate with hanging or wall-mounted lanterns, as well as path lighting, to create a cohesive property.

3 LUNA STEP LIGHTS

Available in 12V and 120V and a variety of colors (both double and single gang), the Luna Step Light is a versatile way to safely illuminate areas of foot traffic both indoors and out. Also fully dimmable, these fixtures allow customization of light output with only 4w of power consumption.

4 OUTDOOR PENDANTS + CHANDELIERS

Available in both 12v and 120v, exterior pendants and hanging lanterns can be used as a lighting source to illuminate and accent an outdoor dining space. A general guideline to follow is the same as interior pendants, which is for the bottom of the fixture to sit 28"-34" above the table.

5 OUTDOOR LANTERNS

Available in both 12v and 120v, lanterns mounted at a point of entry to the home provide safety, security, and a welcoming decorative element.

ONE LANTERN should measure about $\frac{1}{3}$ the height of your door.

TWO LANTERNS should measure about $\frac{1}{4}$ the height of the door. In all cases, the center of the light source should rest about 66" above the threshold.

6 OUTDOOR FANS

Wet-rated fans are a must in any area exposed to the elements. Spaces like covered porches and sunrooms, where condensation or high humidity are factors, also benefit from outdoor fans. Hinkley Fans allow customization on both the aesthetic and operational elements to jazz up the look and usability for the coolest solution to outdoor living spaces.

7 PATH LIGHTING

Path lighting is the perfect way to add style and safety to a walkway. Lights should be placed about 6' apart from one another, and staggered on either side of the path. Consider the light output of your fixtures to determine spacing that keeps the light from overlapping.

8 TRANSFORMER

Transformers convert your 120-volt household current to 12-volt. Calculate the total lamp wattage, or VA for LED, that your system requires and choose a transformer powerful enough to handle the total wattage/VA with extra capacity.

EXTERIOR INSTALLATION on the side or back of the home must be mounted 12" from the ground next to an outlet.

INTERIOR INSTALLATION such as in a basement, garage or shed must be listed for that application. UL code also requires an additional plate to guard against fire and conduit must be used when running wiring through an interior wall.

9 SHADOWING

Shadowing is an effect created by placing a light source, often a spot light, in front of an object and projecting a shadow onto a surface behind the object, such as the shadow of a tree onto a home's façade.

TALK OF THE BLOCK:

COORDINATE & COMPLEMENT FOR A WINNING COMBINATION

For a put-together property, we recommend reinforcing a building's architectural elements with coordinating path lights and exterior lanterns. With a bit of pre-planning, this can make your residence or commercial building stand out from all the others. Hinkley's outdoor product experts meticulously monitor building trends, and then design and pair styles to create a wide variety of matching path lights and lanterns. This unique process ensures exceptional exterior lighting plans that guarantee curb appeal and value, while creating a fabulous façade.

TAPER 2145 TK, PAGE 78

COASTAL ELEMENTS™ collection

The Coastal Elements collection from Hinkley was developed to mitigate the effects of harsh environmental conditions that are often present in coastal regions. These versatile designs offer maximum durability in the most extreme climates, supported by a 5-year finish warranty.

TIMELESS LANTERN DESIGNS THAT PAY TRIBUTE TO THE NOSTALGIA OF AMERICA'S PAST.

Heritage

COLLECTION

Beginning as an outdoor lantern company in 1922, Hinkley has archives spanning nearly a century's worth of lighting designs. Inspired by these archives, the Heritage Collection is defined by enduring design elements such as carriage-style silhouettes with hinged doors and rivet details, gas lantern cage construction and an East Coast sense of style rich in colonial and nautical influence.

HI THERE,
WE'RE
HINKLEY

hinkley.com

LET'S GET STARTED

Our easy-to-use site will guide you through every lighting and ceiling fan decision, and deliver the most helpful product features, specs and tips at-a-glance for every project. Just like you, we've reconnected with our homes and appreciate more than ever how important these interior and exterior spaces are to our health, happiness and well-being.

Hinkley.com makes your research process a snap, with our newest designs, featured collections, in-depth product details, curated styles, endless inspiration and a quick connection to our elite network of retailers.

#hinkleystyle

LET'S BE FRIENDS

We love seeing how you live and sharing ideas and inspiration with each other. Stay in the loop on all Hinkley happenings, from your favorite styles, the best (seriously) giveaways, helpful tips, our latest collabs, Team Hinkley shenanigans, and brand new design drops. @hinkleylighting

OPEN AIR™ collection

Expand your environment with outdoor lighting that unifies the relationship between your home and your natural surroundings.

Outdoor living spaces blend the best of both worlds with interior-inspired decor and the invigorating element of nature. Hinkley's collection of outdoor-rated chandeliers are appropriate for any exterior space—a dining terrace, backyard pergola or front porch—that will extend your hours of entertainment and enjoyment long after dark.

OPEN AIR™
collection

CHIC DESIGNS RATED FOR USE IN BOTH
INTERIOR AND EXTERIOR SPACES

ALDER™

FINISH Black, Burnished Bronze
GLASS Clear

Understated, yet bold, Alder blends form and modern function for outdoor dining spaces or over the counter with its open top and bottom for optimal light leak. This metal drum shade is constructed in aluminum, making this suitable for indoor and outdoor spaces. Alder is available in a Black or Burnished Bronze finish.

RIVERWOOD™

FINISH Warm Bronze with Warm Ash
GLASS Clear

Transitional in style, Riverwood blends in with a variety of decors. The rich Bronze with wood-tone inspired, Warm Ash accents completes the rustic look, complemented by its sophisticated frame for a casual and effortless design. Riverwood is from the Open Air collection and features a linear and round chandelier option.

REID™

FINISH Brushed Graphite
GLASS Clear Seedy

Reid uses an iconic profile featuring an airy, open cage to capture the center of attention. A candelabra with clear seedy glass columns highlights the transitional style, making it a modern mix of classic and contemporary. Weather-resistant metal with a Brushed Graphite finish complements any space, inside or out.

COASTAL ELEMENTS™ collection

Versatile designs constructed of composite materials and coated with anti-fading finishes, for maximum durability in harsh climates.

The Coastal Elements collection from Hinkley was developed to mitigate the effects of harsh environmental conditions that are often present in coastal regions. These versatile designs offer maximum durability in the most extreme climates, supported by a 5-year finish warranty.

The perfect addition to modern coastal, Silo's compact design blends simple modern and long-lasting practicality. Part of the Coastal Elements collection, it is built to stand up to harsh climates while maintaining its bold finish. Silo is available in a downlight only option which meets dark sky compliancy, an up and downlight for additional wall washing, and a small flush mount. Silo is available in three modern finishes: Black, Architectural Bronze and Satin White, which are resistant to rust and corrosion with a 5-year warranty.

ROWLEY 2524 LS, PAGE 115

Heritage

COLLECTION

Beginning as an outdoor lantern company in 1922, Hinkley has archives spanning nearly a century's worth of lighting designs. Inspired by these archives, the Heritage Collection is defined by enduring design elements such as carriage-style silhouettes with hinged doors and rivet details, gas lantern cage construction and an East Coast sense of style rich in colonial and nautical influence.

Brass fixtures are synonymous with premium quality, conveying a superior investment in longevity and timeless style. Brass is a "living finish," meaning that its color will naturally mature as part of its exposure to its environment. This often translates to a rich patina, adding a layered and enduring elegance that only improves over time. A foundational construction material found in the Heritage Collection, which encompasses premium outdoor fixtures that pay tribute to the nostalgia of America's past, brass reinforces Hinkley's philosophy of timeless, quality design.

BINGHAM™

FINISH Greystone

GLASS Clear Seedy

Bingham's traditional style recalls a turn-of-the-century gas light reproduction. The vintage look is nautical in nature and recognizes Hinkley's origins on the shores of Lake Erie. The aluminum construction features clear seedy glass and a Greystone or Sienna finish, while candelabra lamping completes the authentic style.

CREW™

FINISH Black

The outdoor lantern version of the Crew interior pendant evokes a nautical feeling. Chicly designed with a hint of coastal panache, the roof and wire cage are inspired by vintage maritime lighting. Crew's striking Black finish and inner white shade provide optimal illumination and complement a variety of facades from modern to rustic to coastal.

PERRY™

FINISH Oil Rubbed Bronze
GLASS Clear Seedy

Named for Commodore Oliver Hazard Perry, who led a fleet to victory in one of the most significant naval battles in the War of 1812, this nautical-inspired aluminum lantern offers distinctive longitudinal and latitudinal cage construction. Clear seedy glass and a durable Oil Rubbed Bronze finish reinforce Perry's transitional style, which effortlessly complements a variety of façades.

ATWELL™

FINISH Aged Zinc, Oil Rubbed Bronze
GLASS Clear Seedy

Industrial-inspired Atwell recalls turn-of-the-century American factory lighting. Aged Zinc and Oil Rubbed Bronze finish options reinforce its vintage silhouette. Clear seedy glass, cast glass holder and authentic details like gooseneck arms and bespoke back plate and canopy enhance Atwell's nostalgic appeal.

FOUNDRY™

FINISH Gloss White, Museum Bronze, Textured Black
GLASS Clear Seedy (optional)

Decidedly industrious, Foundry is reinventing purposeful lighting. Focused and direct, the sturdy aluminum shade features knurled brass details to offset the Gloss White, Museum Bronze or Textured Black finish while casting a uniform light. The simple, understated form plants a vintage aesthetic for both inside and outside spaces while offering mix and match options that customize the look.

FOUNDRY ORDERING GUIDE

Use the chart below to determine item numbers and specs for each Foundry item to find the exact fixture you need to illuminate your exterior in style.

SHADE STYLES						
Find your perfect Foundry fixture by selecting from 3 finishes, 6 shades, 6 arms and pendant configurations.	Classic Small	Classic Medium	Classic Large	Dome Medium	Dome Large	Angled Sign Light

WALKER™

FINISH Buckeye Bronze
with Heritage Brass
GLASS Bound Clear

Walker has roots in the American West with its large scale, strong angular lines and no-nonsense style. The sturdy aluminum and brass construction features a two-tone finish of bold Buckeye Bronze with Heritage Brass and Black with Antique Nickel, adding a transitional flair to its minimalist shape. A welded outer form frames an inner clear, bound glass shade. At home on the range, in a mountain cabin or creating a mid-century statement, this flexible style complements many façades.

DANBURY™

FINISH Aged Zinc with
Heritage Brass

GLASS Clear

A mixed metal composition and hexagonal shape ensure that Danbury is updated and on trend, even if the silhouette is unmistakably traditional. Heritage Brass accents draw the eye inside while the Aged Zinc cage and signature loop on top are reminiscent of a classic lantern style. Clear glass easily makes a vintage filament bulb a focal point in the durable aluminum frame.

We want you to enjoy your experience with Hinkley.

We're proud to be a 4th generation family company, and we love what we do. We've been designing and creating products with the same level of style and quality we put in our own homes since 1922. So whether you are flipping through our catalog, surfing our site, getting inspired through social media, chatting with a member of our team or checking out our designs with one of our retailers, we're always looking for your experience with Hinkley to be a positive one. Here's all you need to know:

CATALOG COLLECTIONS

Hinkley catalogs feature our current and complete product line along with important product specs and detailed photography. A must for the print-loving researcher who likes to tab their favorites. Stop by your local showroom for your own copy.

HINKLEY.COM

Dive in! Our easy-to-use site makes your product research process a snap, with the added benefit of tips, trends, installation guidelines and a quick connection to our retail partners.

#HINKLESTYLE

We love seeing how you live and sharing ideas and inspiration with each other. Stay in the loop on all Hinkley happenings, from your favorites styles, the best (seriously) giveaways, helpful tips, our latest collabs, Team Hinkley shenanigans, and brand new design drops. @hinkleylighting

TEAM HINKLEY

Want to chat? Contact us at customer care@hinkley.com or 1.800.HINKLEY.

Hinkley stands behind the quality of our lighting fixtures and ceiling fans with product warranties that are among the strongest in the industry. For details of warranty coverage on specific products, please refer to hinkley.com or consult a qualified Hinkley retail distributor.

Several Hinkley products are protected under U.S. Patent and foreign patent, or patent pending.

WELCOME TO THE FAMILY

We stand by every fixture we make but we know that sometimes things happen. Simply register your fixture so we can answer any questions as quickly as possible. Just head over to hinkley.com/register. We're always here if you have a question, need some help, or want to chat about our products.
