JEFFREY ALAN MARKS

PROGRESS LIGHTING
DESIGN+SERIES™

A fitting collaboration between dreamer and maker.

DREAMER

Jeffrey's purposeful and authentic spaces beg to be lived in rather than existing only to be stylish. Today this Elle Décor A-List designer's spirited aesthetic is realized beyond his fortunate clients through licensing partnerships and a broader audience can look forward to homes that are more genuine, more personal and more engaging.

JEFFREY ALAN MARKS

INSPIRED BY

POINT DUME

Photo by Lisa Romerein

“I believe that lighting has a higher purpose, to be at once illuminating and decorative, purposeful and beautiful. Lighting is the ultimate marriage of form and function and the most transformative element in a design project. The very nature of light itself is inspirational.”

JEFFREY ALAN MARKS

Jeffrey's Point Dume™ lighting collection celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences. At home in a range of lifestyles from coastal to urban, the Collection is inspired by one of his favorite places, Point Dume, California, with

exceptional combinations of materials woven throughout. Emulating both the raw strength and the captivating honesty of the landscape, Jeffrey intuitively elevates lighting to a more authentic art form as he marries craftsmanship and style with some of his favorite materials and memories.

MAKER

In the eclectic Point Dume™ Collection, the dreamer and the maker are united by the desire to provide an elevated level of home fashion to an enthusiastic design-savvy consumer. As the inaugural guest designer of Progress' Design Series brand, Jeffrey's design goals are in sync with the Design Series

philosophy — to offer sophisticated styling at an accessible price. Together they are on a journey to inspire individuals to update the favorite spaces in their homes through fixtures that highlight artistic influence, rich finishes and fashion-forward elements.

“Beautiful lighting can appeal to both one’s pragmatic nature and one’s artistic spirit. For me, there is no better reward than to create well-loved spaces where life can be enjoyed fully and lived beautifully.”

JEFFREY ALAN MARKS

GOOD DESIGN HAS NO LIMITS

Test interior design limits by taking the chandelier out of the dining room and into the living room. Placed over a sofa in a richly layered and beautifully realized living room décor, it makes an artistic silhouette that punctuates a room and adds life to a tonal palette. The Rae chandelier doubles as a work of art, with its blend of geometric shapes and a sculpted, handcrafted frame finished in a glowing golden finish.

PLAYING WITH ANGLES

Basic geometry is anything but boring when you add shapely influences to your home for a unique touch of style. This foyer sets the stage for the first steps into your home as it plays up the geometric trend to the hilt with abstract artwork, a clean-lined X base console table, and a dramatic lighting fixture. Your guests will do a double-take as they gaze up at Cumberland, a unique geometric pendant finished in matte black frames and accented with circular seed glass panes. Its artistic "X" and "O" tic-tac-toe pattern echoes the geometry of the hall table for a design scheme that's sure to draw compliments.

Featuring Cumberland

Featuring Chatsworth

FIRST IMPRESSIONS COUNT

It only takes seven seconds to make a first impression, so make it count with your front entryway. Here, classic architectural style gets a modern vibe with an unadorned column and the elongated shape of the Chatsworth lantern.

*CLASSIC +
MODERN PLAY
WELL TOGETHER*

Exaggerated color and playful silhouettes abound in this living room that is a unique juxtaposition of modern and traditional styling. Traditional highboy and side table furnishings meld with the contemporary use of two circular stools as a coffee table. The simply charming Maudlin pendant at either end of an emerald couch adds symmetry and balances the bright color. Maudlin's geometric frames and clear seeded glass panes play off the diamond-patterned rug and showcase a modern twist on age-old classics.

SHADES OF BLACK AND GRAY

Turn the shiplap trend on its head by installing it vertically on the wall and painting it an accent color. The black vanity placed against the gray wall adds a moody, comforting tone to a serene bathroom. A pair of Bonita wall sconces flank an oversized mirror, adding understated elegance to the vignette. Contemporary ladder shelving displays bath necessities against an adjoining wall for additional visual flair.

A rustic mountain home interior featuring a stone fireplace, leather sofa, and dining table. The room has a high ceiling with exposed beams and a large window with sheer curtains. A leather sofa is positioned in front of the fireplace, and a dining table is visible in the background. A large chandelier hangs from the ceiling, and a framed picture is mounted on the stone wall above the fireplace. A large potted plant is on the left side of the room, and a round ottoman is in the foreground.

RUSTIC MOUNTAIN HOME

Set the mood with a display of substantial style, Gresham's frame was inspired by the elegance of traditional iron structures. Specific attention to forging details creates a distinctive collection to highlight rustic-inspired spaces. Morrison and Fontayne complete the lighting design with complementary forms.

LAYER LIGHTING WITH GEOMETRIC ACCENTS

Circular elements featured in the mirror and Debut chandelier work together to provide dramatic focal points to this living space. Additionally, the Squire outdoor wall lantern was incorporated in a clever way in this interior setting to create a rich layer of light to contribute to the room's décor.

Featuring Debut and Squire

Featuring Zura

SLEEK AND SOPHISTICATED

One of the most important things to remember when illuminating your bathroom is to provide shadow-free lighting at the mirror. This bath area benefits from a generous amount of natural light, while our sleek and sophisticated Zura sconces placed on either side of the bathroom mirror work to further reduce shadows on the side of the face.

*MARBLE, GLASS &
GOLD – OH MY!*

Everyone deserves a little bit of luxe in his or her home. Sleek design, nature-inspired elements and ornate details make a statement within this lavishly designed setting. Our Palacio fixtures pair a Vintage Gold finish with faux white marble accents that complement the sophisticated glass spheres found in the Ellyson pendants.

MODERN ARTISTIC APPEAL

Raise the bar on modern design to a new artistic ideal. Warm colors, organic wood and shimmering metals create a welcoming contrast to cool white walls and contemporary art. The Lowery pendant and wall sconce add dramatic appeal with their free-form rectangular shapes finished in alternating textured black iron and softly distressed gold leaf. The Penn pendant's clear glass sphere topped with lustrous gold offers a touch of glamour over a polished wooden chest. The mixed metal theme continues in the dining area, where the Adagio pendant strikes a sculptural note above the table.

POINT DUME™ COLLECTION

POINT DUME™ / WANDERMERE

With elegant out-stretched arms and the grace of a Calder mobile, the Wandermere chandelier is “modern symmetry in balance.” Available in Brushed Brass with curved metal shades, the Wandermere is an architectural presence for any space.
